

Hartman School - Arrival and Dismissal

Hartman School - Arrival and Dismissal

At Hartman, the doors are unlocked at 7:25 AM. Students may not enter the building before that time; the tardy bell rings at 7:55; students should be in their homerooms and in their seats ready to learn at that time.

In the morning, buses drop students off in the front of building.

Students who receive parent transportation to school need to be delivered to the doorway number 3 in the alley way between Hartman and Lincoln. Please do not block this road. Arriving before 7:25 will cause problems.

Please note that it is a significant safety hazard to drop students off in the front of Hartman. Please take steps to avoid this and keep our students safe.

Dismissal is at 2:35.

Bus riders are dismissed first. Several minutes later, walkers and car riders are dismissed out the front doors of Hartman, doorways numbered 1 and 2. Please arrange for a place to meet your child while obeying all local traffic and parking ordinances. You should not wait in the Lincoln parking lot as this is already a very congested area at that time.
