TO: All Prospective Employees of the Ellwood City Area School District:

The passing of HB 435 signed into law as Act 153 of 2014 on December 31, 2014, requires changes in clearance requirements for educators, employees, as well as volunteers of school districts.

Therefore according to our School Board Policy 916, all employees, i.e. non-professional and professional of the Ellwood City Area School District as well as volunteers must have all 3 clearances, Child abuse, Criminal, and FBI every 5 years. The law states that any employees, contractors, volunteers who have direct contact with children must have these clearances.

Child Abuse and the Criminal History clearances can both be done online, FBI fingerprinting registration is done online, but requires you to go to a fingerprint site for the actual fingerprinting. Listed below is the website for each:

1. Child Abuse – The PA Child Abuse clearance can now be completed online.

<https://www.compass.state.pa.us/cwis/public/home> Click on website which will walk you through the process of creating a new account in Compass to allow you to complete the Child Abuse clearance online and pay with credit or debit card. Make sure you select Department of Education and School Employee. The cost of this clearance is \$13.00. The online process takes approximately 20-30 minutes to complete. The result will be online and/or mailed to you in approximately 2 weeks.

2. Criminal History – <https://epatch.state.pa.us> . Click on website which brings you to “PA Access to Criminal History”. About center of the page click on Submit a New Record Check. This will allow you to complete the info, pay with credit or debit card and if you have no record, you will be able to print the result immediately. Make sure you click on **CERTIFICATION Form** print. This will print the actual result we need. The cost of this clearance is \$22.00.

3. FBI Fingerprinting: **You MUST register online first.** Go to the following website to register 24 hours a day, seven days a week. Also listed are fingerprint site locations and their hours. You may select the location that is most convenient to you (i.e. New Castle, MIU 4 in Grove City, Wexford, Butler, Monaca): <https://uenroll.identogo.com>. Enter Service code: 1KG6XN. The cost for fingerprinting for employees through PDE is \$23.85 at fingerprint site with a credit card, debit card, money order, or cashier check. No personal checks or cash will be accepted. Once you have registered you will be given a UEID number. You must have that number before going to the fingerprint site. You then take that number along with your driver’s license to the site of your choice to be fingerprinted. That UEID# is what the school needs to check your fingerprint result online. You should keep all original clearances. Please bring in your original clearances to the Superintendent’s office and we will make copies.

Thank you,

Administration

Mandated Reporter protocol for Ellwood City Area School District

In correspondence with School Board Policy #806 and within the state of Pennsylvania, any person who is employed by the school or who is an independent contractor with the school is a mandated reporter of child abuse. The following information outlines the steps when a district employee or independent contractor is reporting child abuse.

1. If child abuse/neglect is reported to the Mandated Reporter, the Mandated Reporter will complete the CY-47 Form and call Childline at 1-800-932-0313 on a secure, private line or complete the online form after creating an account at <https://www.compass.state.pa.us/cwis/public/home>
2. Suspected child abuse must be reported immediately even if it is by a third party reporter. If mandated reporter is informed of an incident the Mandated Reporter should contact the building principal/building secretary to cover their classroom to make the report. If available, the principal, school counselor, school psychologist or special education director can sit with staff when they make the childline call. However, those staff members cannot make the call for the mandated reporter who the abuse was initially reported to.
3. The Mandated Reporter will report suspected child abuse to the building principal after the Childline call or the electronic form to Childline is completed, if the principal was not previously informed.
4. The Mandated Reporter will fax the CY-47 to the local Children and Youth Services office with the documented Childline employee's name. If the online form is completed, this step will not need to be completed.
5. If the mandated reporter and the building administrator determine the student is in immediate danger after consulting with childline, the local police will be contacted.
6. The Original CY-47 Form and the fax confirmation sheet will be sent to Central Office. If the online form is completed, this step will not need to be completed.
7. If CYS comes to interview the student, the Mandated Reporter should be made available to answer any questions the CYS worker may have.
8. CYS members will need a court order if they want to take custody of the student.
9. The Ellwood City Area School District in compliance with this Act requires that all school employees who have direct contact with students complete the 3 hour online training: Recognizing and Reporting Child Abuse: Mandated and Permissive Reporting in Pennsylvania.
10. This course is approved for 3 continuing education credits and has been approved by the PA Department of Human Services and the PA Department of State to meet ACT 31 Child Abuse Recognition and Reporting Training requirements. Additionally, this course has been approved by the PA Department of Education to meet the Recognizing Child Abuse and Mandated Reporting components of Act 126 of 2013 training requirements.

Please go to the following website to register and begin your online training. Once you have completed the training, please be sure to print your certificate and turn it into the Superintendent's office. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4
