Dear Valued Workpartners Policy Holder,

Thank you for choosing Workpartners for your workers' compensation program. As part of our services, we have enclosed your workers' compensation provider panels developed for your workplace locations to be utilized for work-related injuries sustained from your policy effective date and going forward. In the event of a panel update, that updated listing will be effective as of the date of notice and is to be used for any work-related losses reported from that day forward.

Posting of an up-to-date workers' compensation panel is a requirement under the Pennsylvania Workers' Compensation Act. You are also required to have your employees to sign the Employee Rights and Duties Form, which confirms they are aware of your designated Workers' Compensation Provider Panel. This signature is required at time of hire/establishment of new panel and after an injury is reported. For your convenience, we have attached a copy of the Employees Rights and Duties and Employee Acknowledgement forms.

Please confirm your receipt and agreement to post the attached workers' compensation panels at your designated workplace location(s). In order that a panel is available for your employees as quickly as possible, we look forward to hearing your feedback within five (5) calendar days. After that time period we will accept the panel as approved by you, in the absence of a response.

If you have any questions or requests regarding your panel creation, please contact [WCPanels@upmc.edu](mailto:WCPanels@upmc.edu). We appreciate the opportunity to partner with you.

Sincerely,

Workpartners Panel Management Team

**NOTICE TO EMPLOYEES IN CASE OF WORK-RELATED INJURIES**

1. If you suffer a work-related injury, your employer or its insurance company must pay for reasonable surgical and medical services and supplies, orthopedic appliances and prosthesis, including training in their use.
2. In order to insure that your medical treatment will be paid for by your employer or the insurance company, you must select from one of the following health care providers.
3. You must continue to visit one of the physicians listed below, if you need treatment, for ninety (90) days from the date of your first visit.
4. If one of the persons below refers you to another licensed specialist, your employer or their insurer will pay the bill for these services.
5. After this ninety- (90) day period, if you still need treatment and your employer has provided a list as set forth below, you may choose to go to another health care provider for treatment. You should notify your employer of this action within five days of your visit to said provider.
6. If a physician on the list prescribes invasive surgery, you may obtain a second opinion from any physician of your choice. If the second opinion is different than the listed physicians opinion, you may determine which course of treatment to follow; however, the second opinion must contain a specific and detailed treatment plan. If you choose the second opinion, the procedures in that opinion must be performed by one of the physicians on the list for the first ninety- (90) days. Therefore, in this situation, the employee may be required to treat with an employer-designated provider for up to 180 days.
7. If you are faced with a medical emergency, you may secure assistance from a hospital, physician, or health care provider of your choice for your work-related injury. However, when the emergency is resolved, you must seek treatment from a provider listed below.
